

include/jevois/Core  
/PythonWrapper.H

```
graph TD; A[include/jevois/Core/PythonWrapper.H] --> B[boost/python.hpp]; A --> C[mutex];
```

The diagram illustrates a header file dependency. A central box at the top, labeled 'include/jevois/Core/PythonWrapper.H', has two blue arrows pointing downwards to two separate boxes. The left box is labeled 'boost/python.hpp' and the right box is labeled 'mutex'. This indicates that the PythonWrapper.H header file includes both the Boost Python library and the C++ mutex library.

boost/python.hpp

mutex
